Quilt Top Assembly

Note: Follow the **Quilt Layout** Diagram (page 4) while assembling the quilt top.

1. For border 1, sew (4) 1½" **Fabric B** border strips together end to end using diagonal seams. Cut (2) border strips to 1½" x 42". Sew one strip to each side of the quilt top and press the seams toward the borders. Measure the width of the quilt top through the center. Cut (2) border strips that length and sew one to the top and one to the bottom. Press the seams toward the borders.
2. For border 2, sew (5) **Fabric A** border strips together end to end using diagonal seams. Measure the vertical length of the quilt top through the center and cut (2) border strips that length. Sew one strip to each side of the quilt top and press the seams toward the borders. Measure the width of the quilt top through the center. Cut (2) border strips that length and sew one to the top and one to the bottom. Press the seams toward the borders.
3. Repeat step 2 with (5) 3" **Fabric D** strips to make and add border 3.
4. Repeat step 2 with (5) 1½" **Fabric A** strips to make and add border 4.

Star Gazers Quilt

Finishing

7. Sew together the (6) 2½" **Fabric E** binding strips end to end using diagonal seams. Press the seams open. Press the binding strip in half with the wrong sides together.
8. Layer the backing (wrong side up), batting, and quilt top (right side up). Baste the layers together and quilt as desired. Trim excess batting and backing even with the top of the quilt.
9. Leaving an 8" tail of binding and beginning along an edge of the quilt top, matching the raw edges of the binding to the raw edges of the quilt. Sew the binding to the outside edge around all four sides and miter corners. Stop sewing approximately 12" from where you started and backstitch.
10. Lay both loose ends of the binding flat along the quilt edge. Where these two loose ends meet, fold them back onto themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding together, with the right sides matching. Trim the seam to ¼" and press it open. Finish sewing the binding to the quilt.
11. Turn the binding over the raw edge to the back of the quilt and hand or machine stitch in place.
