Quilt Top Assembly

Follow the quilt diagram and photograph while assembling the quilt top.

1. For border 1, trim (2) 2½" Fabric E strips to 23" and sew one strip to each side of the Fabric A panel. Press the seams toward the border. Trim 2 more 2½" Fabric E strips to 40½" and sew one to the top and one to the bottom of the panel. Press the seams toward the borders.
2. For border 2, trim (2) 1½" Fabric B strips to 27½" and sew one strip to each side of the Fabric A panel. Measure the width of the quilt top through the center. Trim 2 more 1½" Fabric B strips that length and sew one to the top and one to the bottom. Press as before.
3. For border 3, sew (4) 1¼" Fabric F strips together end to end using diagonal seams. Measure the vertical length of the quilt top through the center and cut two border strips that length. Sew 1 strip to each side of the quilt top. Measure the width of the quilt top through the center. Cut 2 strips that length and sew one to the top and one to the bottom. Press.
4. Repeat Step 3 with the (4) 1½" Fabric D strips to make and add border 4.
5. Repeat Step 3 with the (4) 1¼" Fabric F strips to make and add border 5.
6. Repeat Step 3 with the (5) 3" Fabric H strips to make and add border 6.

Sewing

7. Repeat Step 3 with the (5) 1¼" Fabric C strips to make and add border 7.

Layering, Quilting, and Finishing

8. Create a quilt sandwich with the batting between the quilt top and the backing. Pin or baste layers together, mark the quilting design, and quilt by hand or machine. When the quilting is complete, remove pins or basting and trim the batting and backing even with raw edges of the quilt top.

Binding

9. Join the (5) 2½" Fabric G binding strips together end to end using a diagonal seam to make one long strip. Fold in half lengthwise with wrong sides facing, and press. Sew the binding to the edges of the quilt top, mitering corners, and overlapping ends. Fold the binding to the back of the quilt and stitch it in place by hand to finish.
