Before You Begin

Read all instructions before beginning project. Do not pre-wash fabrics. Press fabrics with a dry iron on cotton setting before cutting. Use a ¼ in (6.35 mm) seam allowance and sew fabrics with right sides together (RST) unless otherwise noted. Press seams in the direction of the arrows. wof = width of fabric

Note: A printed panel may become slightly skewed during the finishing process. Check if panel is square before cutting by folding the panel so selvages meet. If all edges do not meet, pull firmly from corner to corner until the edges meet. Continue until all corners are square.

Finishing

11. To make the Around the Town Backing, remove the selvages and cut two pieces 42 in x 89 in (106.68 cm x 226.06 cm).

12. Press the finished Quilt Top and Backing fabric. Tape the Backing **wrong** side up on a firm surface. Layer Batting and Quilt Top (right side up). Baste the layers together with safety pins. Quilt as desired.

13. Once the quilting is complete, square up the corners and edges, trimming excess Backing and Batting even with the Quilt Top.

19. To make the Shop Hop Binding, remove the selvages and sew the short ends of the Perfect Squares 2 ½ in x wof (6.35 cm x 106.68 cm) strips RST end to end at a 45 degree angle to make one continuous strip; press seams open. Press one short end ¼ in (6.35 mm) to the **wrong** side. Fold in half lengthwise with **wrong** sides together; press. Leaving a 2 in (5.08 cm) tail on the folded end, place cut edges of folded Binding even with the edge of the Quilt and sew, mitering the corners (Dia. K). Overlap ends, trim any excess and finish sewing the Binding. Fold the Binding over to the back and hand stitch.
