Quilt Top Assembly

Follow the Quilt Layout (page 6) while assembling the quilt top.

5. Sew together (2) Block One and (1) Block Two, alternating with (2) **Fabric A** 2" x 16" strips, to make Row 1. Repeat to make Row 3. Sew together (2) Block Two and (1) Block Three, alternating with (2) **Fabric A** 2" x 16" strips, to make Row 2. Rows will measure 50" x 16½".
6. Sew (3) block rows together, alternating with **Fabric A** 2" x 50" strips, to make the quilt center that should measure 50" square.
7. Sew (1) **Fabric A** 5" x 50" strip to opposite sides of the quilt. Sew (1) **Fabric A** 5" x 59" strip to both the top and bottom. Quilt top measures 59" square unfinished.

Finishing

8. Sew together the (6) 2½" x WOF **Fabric H** binding strips end to end using diagonal seams. Press the seams open. Press the binding strip in half, wrong sides together.
9. Layer the backing (wrong side up), batting, and quilt top (right side up). Baste the layers together and quilt as desired. Trim excess batting and backing even with the top of the quilt.
10. Leaving an 8" tail of binding and beginning along an edge of the quilt top, match raw edges of the binding to the raw edges of the quilt top. Sew the binding to the outside edge around all four sides and miter corners. Stop sewing approximately 12" from where you started and backstitch.
11. Lay both loose ends of binding flat along the quilt edge. Where these two loose ends meet, fold them back onto themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding together, right sides matching. Trim seam to ¼" and press seam open. Finish sewing the binding to the quilt top.
12. Turn the binding over the raw edge to the back of the quilt and hand or machine stitch in place.
