Block Assembly

1. Trace shapes A, B, and C on the plastic to make templates. Cut on the outline. Label templates with words or names to avoid accidentally reversing them (for instance: Amber, Ben, Charles).

Sewing

Measurements include 1/4" seam allowances. Sew with right sides together unless otherwise stated. If no direction is specified, press seam toward darker fabric.

2. Trace template C (tree) on the right side of Fabric D taking care not to flip template upside down to ensure print appears correctly. For Fabric E, template C can be flipped to cut more trees per width of fabric (*figure 1*). Cut on the outline using a ruler and a rotary cutter.

Fabric D - Template Placement

Fabric E - Template Placement

Figure 1 – Cut 10 of each fabric.

3. Trace templates A and B twenty times each on the wrong side of Fabric H (*figure 2*). Cut on the outline using a ruler and a rotary cutter and group them by type.

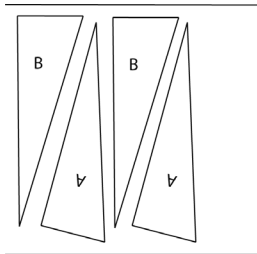

Figure 2 – Cut 20 of each.

4. Sew one step 3 template A to the left side of a step 2 tree. Press open. Sew one step 3 template B to the right side of the same tree (*figure 3*). Press open. Repeat with the remaining step 2 trees to make 10 of each fabric.

Figure 3 – Make 10 of each.

5. Sew one 2" Fabric F strip in between two 3-3/4" Fabric H strips to make a strip set. Press seams to center. Repeat to make four strip sets. Cut strip sets into twenty 4-1/2" sections (*figure 4*) to make 4-1/2" x 8-1/2" tree trunks.

Figure 4 – Make 20.

6. Sew the step 5 tree trunks to the bottom of the step 4 trees (*figure 5*). Press seams open. Trees measure 8-1/2" x 16-1/2".

7. Draw a diagonal line on the wrong side of the 2-1/2" Fabric F squares. With right sides together, layer a marked square on the left short end of a 2-1/2" x 4-1/2" Fabric H rectangle and stitch on the drawn line. Trim 1/4" away from the seam line and press open. In the same manner, stitch another Fabric F square to the opposite end of the same rectangle (*figure 6*). Repeat to make a total of forty flying-geese units.

Figure 6 – Make 40.

7a. Repeat step 7 with the 2-1/2" Fabric B squares and the 2-1/2" x 4-1/2" Fabric H rectangles to make forty flying-geese units (*figure 7*).

8. Sew one step 7 flying geese to opposite sides of a 4-1/2" Fabric A square (*figure 8*). Press seams to center. Repeat to make ten block centers.

Quilt Top Assembly

(Follow the quilt diagram and photograph while assembling the quilt top.)

14. Referring to the quilt photo for block placement, lay out the blocks and the 1-1/2" x 16-1/2" Fabric H sashing strips in five rows, and join the blocks and sashing strips together in each row. Press seams toward sashings.
15. Sew block rows and horizontal sashing strips together, matching adjacent seams. Press seams in one direction.
16. For border 1, sew the eight 1-1/2" Fabric H strips together end to end using diagonal seams. Measure the vertical length of the quilt top through the center and cut two border strips that length. Sew one strip to each side of the quilt top. Measure the width of the quilt top through the center. Cut two border strips that length and sew one to the top and one to the bottom. Press the seams toward the borders.
17. For border 2, sew the five 5-1/2" Fabric G strips together end to end using **straight** seams. Proceed as in step 16 to add this border.

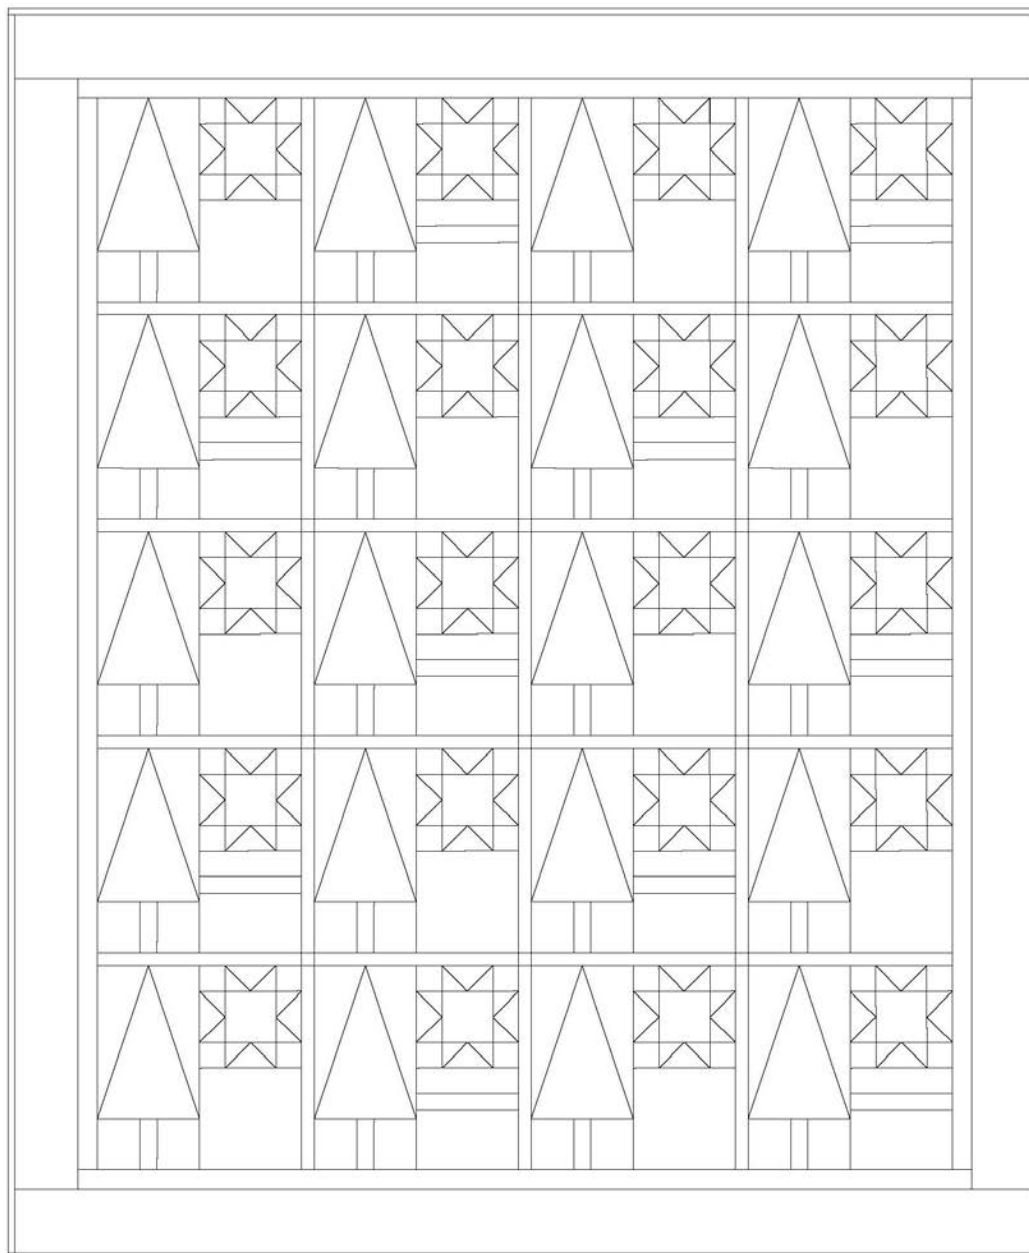

Layering, Quilting, and Finishing

18. Create a quilt sandwich with the batting between the quilt top and the backing. Pin or baste layers together, mark quilting design, and quilt by hand or machine. When quilting is complete, remove pins or basting, and trim batting and backing even with raw edges of the quilt top.

Binding

19. Join the nine 2-1/2" Fabric F binding strips together end to end using a diagonal seam to make one long strip. Press in half lengthwise. Sew binding to the edges of the quilt top, mitering corners, and overlapping ends. Fold binding to the back of the quilt and stitch it in place by hand to finish.
