## INSTRUCTIONS

- Trace templates on paper side of lightweight fusible web. Fuse on specified fabric. Cut out on drawn line; remove paper backing and fuse to background color listed. Secure edges using coordinating thread and small zigzag stitch.
- Sew rectangles together in columns; press as shown.
- Sew columns together, alternating Column A with a color series Column B as shown on the quilt.
- Layer back, batting, and front. Baste together with safety pins. Free motion echo quilt following the applique shapes. Trim excess batting and backing even with the front.
- Sew the binding strips together end to end. Fold in half lengthwise. Sew to front, matching raw edges. Sew by hand to the back.
